Dear Mike,

Thank you so much for your inspiring talk last night in Dallas. It was a great pleasure to meet you, and learn from your experiences defending our country. I was particularly moved by your comment that Patriots are those of us who take seriously the responsibilities of our jobs, our families and our citizenship. I hope that I can honor your service by sharing with my children a love for our country and this new definition of patriotism that I have learned from you.

I feel honored to know you and if I can ever be of any assistance to you, please do not hesitate to contact me.

Warmest regards,

William G. Jones II, M.D. (Gerry)
